Speaking Topics

The Art of “Allowing” in a “Doing” World

Through story, conceptual and experiential processes you will be Inspired toward balance and gain knowledge of how the mind, body, and soul work together to create wellness.

Personal Empowerment

Learn to tap your power and inner wisdom and reconnect to your inner guidance to confidently take your next steps in collaboration with those who care for you as you regain control of your personal power.

Spirit-Filled Healing

Learn to become familiar with your intuitive nature and recognize the difference between mind chatter and the subtle voice of direction from your higher self to embrace the power of Spirit as part of your health and wellbeing.

Bio

Dr. Dolores Fazzino, DNP (Doctor of Nursing Practice), Nurse Practitioner, Transformational Coach, Speaker, and Author is a distinguished pioneer and visionary bridging the world of spirituality and wellness. Her companies Recovering Healthcare and Concierge Surgical Coaching prepare patients for a successful surgery. She has assisted in approximately 9000 surgeries over a 40-year career in nursing. She worked under the revolutionary Dr. Bernie Siegel.
